

# CONSTRUCTION CAMP 2024

March 2024

Dear Friends,

On behalf of the National Association of Women in Construction (NAWIC) Philadelphia Foundation, we are thrilled to announce the upcoming **15th Annual Mentoring young Women In Construction (MyWIC) Camp!** This year, we are taking our mission of empowering and inspiring young women to new heights by hosting two separate camps, with the potential to double our intake of girls and welcome up to 80 campers in middle-to- high school grades.

Building upon the success of the past five years, we will once again kick off a six-week camp at the Girls Inc. location in South Philadelphia. In addition to the South Philadelphia camp, we are excited to introduce a pilot camp in Northeast Philadelphia this year. This camp will run consecutively for 8 days, offering even more young women the opportunity to engage in hands-on learning, career exploration, and personal growth. We believe that by expanding our reach, we can make an even greater impact and inspire more girls to pursue careers in construction.

***You can help make this happen!!***

This FREE camp doesn't happen without the support of many. The girls receive transportation to and from the trades, job site tours, lunch, snacks, graduation luncheon and the following supplies:

|                |                 |                    |                   |
|----------------|-----------------|--------------------|-------------------|
| Camp t-shirts  | Backpacks       | Hard Hats          | Work Boots        |
| Socks          | Safety Vests    | Safety Goggles     | Ear Protection    |
| Gloves         | Tool Belts      | Hammers            | Screwdrivers      |
| Tape Measures  | Levels          | Straightedges      | Pliers            |
| Wire Strippers | Journals        | Carpenters Pencils | Pencil Sharpeners |
| First Aid Kits | Hand Sanitizers | Water bottles      | Swag              |

This is an initiative to create a sustainable labor pool in the construction industry while exposing young women to careers that they may not have previously considered.
